

WESTIE EDUCATION FUNDRAISERS

The following items benefit Westie Education. This is a segment of our Club which raises funds for the purpose of providing educational information to the general public on Westies. Their website is www.WestieEduMi.com. Westie Education attends various dog functions such as the Novi Pet Expo, and distributes information. They purchase ads in newspapers in hopes of warning the public away from some of the less reputable breeder operations, and in general, try to provide information that will be helpful to all.

WESTIE GARDEN FLAGS

We offer more than 2 dozen different Westie Garden Flags. They are a "best seller" because they are so beautiful. Go to the Education Website to see the selection and place your order. (Offerings change throughout the year.) \$15.50 each. <http://www.westie3.fatcow.com/EDU/fund.htm>

RESCUE CALENDAR 2009

Each year we put out a Rescue calendar featuring the dogs who were placed in that year. The 2009 calendar features dogs in Rescue in late 2007 and 2008 through October 31. They are the same dogs featured in this newsletter. Again this year, we asked Michelle Bogart to design the calendar. She is a scrapbooking expert and has an eye for the artistic. We think you will enjoy the calendar she has produced as well as the cover which was put together by Jim Beaudry. This calendar will be available early in December from CafePress.
